

## Her journey is just beginning, and it starts with you.

Transitioning into womanhood is a monumental task for any girl, but even more so for those who have experienced sexual violence. At For Every Girl, we're committed to ensuring that abuse isn't a barrier to success, empowering girls to define themselves by their potential, and not their past.

Thanks to donors like you, we've expanded our reach, serving more than 40 girls to date. Not only have we given them opportunities to heal physically and mentally, but we've also provided them with comprehensive services like case-management, mentorship, and education.

We're already thinking about how to support our girls during the 2024-2025 school year, which is why we're launching our "Her Future, Our Focus" campaign in July. Our goal is to raise \$20,000, or \$500 per girl. These funds will ensure they can attend school next year and pursue their dreams of becoming nurses, cosmetologists, and lawyers.

Our vision is a world where every girl is safe from sexual violence and free to chase a brighter future. By investing in their healing and education, you can make this vision a reality.

Will you join us in raising \$20,000 this month for her education so she can heal, learn, and grow into the person she's meant to be?

Here's how **YOU** can support our girls' future:

- Make a one-time donation to our "Her Future, Our Focus" campaign at [www.foreverygirl.world/donate](http://www.foreverygirl.world/donate)
- Venmo @foreverygirl-world
- Write a check to "For Every Girl" and mail it to P.O. Box #5 Orrville, OH 44667

Her future is our focus, and we hope it's yours, too.

For our girls and the girls to come,

Michal & Torrey
